Date: November 16, 2023

Memo from: Editor of LHS59.org

---

As time passes, and as more of us of the LHS Class 1959 pass away, I am reminded of my own mortality. So much so that after my recent first heart procedure and likely need to get stented up soon, I have decided to pay for 5 years in advance of the registration and hosting costs for the LHS59.org website that my son and I have been maintaining for more than 20 years.

You answered my last call for donations to get up-to-date on past expenditures for LHS59.org, for which I am very grateful. Your letters, with the checks, were inspiring. In return, I sent them signed, hardback copies of my new book: "Anecdotes of a Lifetime: Memoirs of a Professional Geologist," see: <https://www.i2massociates.com/downloads/AnecdotesRelease2023.pdf>

If you can find even \$25.00 in your budget to pay for the 5-Year Extension to the LHS59.org that would help with my wife's shrinking budget on such things. The cost is [\\$259.89](#) and that will pay for the website hosting costs to 2028, which should I check out, this will give you time to find a new editor and webmaster for your LHS59.org. If only ten of you could send me \$25.00 (at the address below) that would cover the expense.

I can tell you that, on the average, about 20 of you regularly check-in on the [LHS59.org website](#) for the news of our people. You will soon be receiving news of the 65<sup>th</sup> Reunion that is currently in the planning stage involving Charlotte Mulrooney and others for fall of 2024.
